

Dear John,

This is the third in a series of Special Reports announcing remarkable **Land of Legacy** accomplishments.

As President and Chairman of American Prairie Reserve, and on behalf of the staff, it is our pleasure to share the following good news with you: **Mrs. Jacqueline B. Mars**, a member of the organization's Board of Directors since 2014, has made a **\$1 million** commitment to **Land of Legacy**.

"I am delighted to be able to help and look forward to celebrating many more successes as **Land of Legacy** comes under full sail," said Mrs. Mars.

Since launching **Land of Legacy** in January, we have announced \$6 million in new pledges and commitments. These new gifts support the six pillars of **Land of Legacy**: elevate American Prairie Reserve to national prominence; accelerate land acquisition, augmenting the size and scope of the Reserve; design, fund and construct the Reserve's National Visitor Center and Campground; design, fund and establish the Reserve's Hut-to-Hut Trail System; establish a named National Prize awarded annually to a distinguished American; and transform the Reserve's giving societies into platforms inspiring gifts at all levels.

The board of directors and staff join us in thanking Mrs. Mars for her visionary **Land of Legacy** leadership. We hope the news contained in these Bulletins gives you a sense of shared accomplishment and leaves you excited to be part of this momentous effort going forward.

George Matelich, Chairman
National Board of Directors

Sean Gerrity, President
American Prairie Reserve
